

Levon Shekhadanov

- [Chess \(all levels\)](#)

(Click the above links for more information on specific classes)

Levon has been playing chess since he was 6 years old at various chess clubs, and eventually at the Garry Kasparov School of Chess. Over the years, Levon took part in many chess completions and was a winner of a city district Chess Tournament in Baku (Azerbaijan).

His classes are taught in both Russian and English. Levon with the help of Svetlana Davidovich (other chess instructor) initiated an annual Russian School Chess Tournament in 2014 opened to all chess players in the community. Please, contact Levon if you would like to enroll in the next year tournament.
